APPROVED COURSE LIST

TWO-YEAR CONTINUING EDUCATION REQUIREMENTS

SEMINARS/WORKSHOPS

The attached is a calendar of the approved programs (Seminars/Workshops) sponsored by various organizations which are being held in the Nebraska area. This list is revised approximately once a month. We recommend that you write the Department periodically for the most current list.

Following the calendar is a listing of the organizations and the name of the person to contact to register for the continuing education program.

The list (Seminars, Workshops, etc.) does not include information regarding independent study, national examination or correspondence courses (such as CLU, CPCU, LUTC, etc.) The approved course list for these types of courses is available from the Department upon request.

Hours earned to comply with the two-year continuing education requirement must relate to the line or lines of insurance the individual is licensed to solicit.
